

# CERTIFIED INSTALLER

CERTIFICATE OF COMPLETION

## Integrity Home Pro

Has successfully completed the VELUX Certified Installer training and will provide the best daylighting solutions, services, and installation for any project that includes VELUX products. VELUX recognizes that as a Certified Installer, they will utilize the care, dedication, and expertise you would expect from the world leader in skylights.

In recognition thereof, this  
certificate is presented on  
October 6, 2021
