

GAF Warranties

Learn about a great way to protect the roof that protects your home

We protect what matters most™

It's security, measured in decades

When you install a qualifying GAF shingle, the basic *GAF Shingle & Accessory Limited Warranty* provides a Lifetime* limited warranty term for the shingles. And when you install a qualifying GAF shingle with at least 3 qualifying accessory products, you are automatically covered by the *GAF Roofing System Limited* Warranty*, which also provides Lifetime* coverage for your qualifying accessory products! "Lifetime" means as long as the original owner(s) [or the second owner(s) in certain circumstances] owns the single-family detached residence where the shingles and qualifying accessories are installed.

The Lifetime* warranty term also comes with 10 years of 100% coverage, during which GAF will provide any replacement GAF products necessary to repair your roof due to a manufacturing defect. GAF will also pay the reasonable cost to install them.* This warranty is also transferable, once, to the next homeowner, for free.

With the *GAF Roofing System Limited Warranty*, after ten years, replacement materials and installation labor are prorated.

Protect your home with our **Silver Pledge™ Limited Warranty!**

The **Silver Pledge™ Limited Warranty** increases the 100% coverage period against manufacturing defects from 10 years to 50 years. It also covers tear-off and disposal costs.

Best of all, it provides 10 years of coverage against errors in the application of your GAF Shingles & Accessories and Covered Flashings that might have been made during the installation of your roof.

Warranty	Features	100% Coverage
GAF Roofing System Limited Warranty	Replacement Materials + Installation Labor	10 years 100% Coverage
	Replacement Materials + Installation labor + Cost to tear off (If necessary) + Disposal	50 years 100% Coverage
	Workmanship	10 years 100% Coverage

*See *GAF Shingle & Accessory Limited Warranty* and *GAF Roofing System Limited Warranty* for complete coverage and restrictions. See gaf.com/LRS for a list of qualifying shingles and accessory products.

It's more than a warranty – it's a burst of confidence

We can't help with stage fright or your poker face, but we can help you feel more confident in your decisions, knowing your new roof is protected by a Silver Pledge™ Limited Warranty backed by GAF, North America's largest roofing manufacturer.

It's a matter of trust

Installing a new roof is a big responsibility. But you can feel great about putting your project into the qualified hands of a factory-certified GAF Master Elite® Roofing Contractor.

Less than 2% of roofing contractors can wear the GAF Master Elite® badge. It's a status that can't be bought — it has to be earned. Every GAF Master Elite® Roofing Contractor must show that they are insured; licensed by their state, province, or territory;¹ properly trained to install GAF products; and established in their local community with a history of installing roofs. As a result, more than 90% of property owners surveyed would recommend their GAF Master Elite® Contractor to others.²

Contractors enrolled in GAF certification programs are not employees or agents of GAF, and GAF does not control or otherwise supervise these independent businesses. Contractors may receive benefits, such as loyalty rewards points and discounts on marketing tools from GAF for participating in the program.

¹Applies in states/provinces/territories where all roofing contractors are required to be licensed.

²Based on a GAF survey of 18,020 property owners served by GAF Master Elite® Contractors from January 2019 to July 2020.

The GAF Lifetime Roofing System has earned the prestigious Good Housekeeping Seal (applicable in U.S. only).

* Lifetime refers to the length of warranty coverage provided and means as long as the original individual owner(s) of a single-family detached residence [or eligible second owner(s)] owns the property where the qualifying GAF products are installed. For other owners/structures, Lifetime coverage is not applicable. Lifetime coverage on shingles requires use of GAF Lifetime shingles only. See *GAF Shingle & Accessory Limited Warranty* for complete coverage and restrictions. Lifetime coverage on shingles and accessories requires use of any GAF Lifetime Shingle and any 3 qualifying GAF accessories. See *GAF Roofing System Limited Warranty* for complete coverage and restrictions. Visit gaf.com/LRS for qualifying GAF products.

To be eligible for the Silver Pledge™ Limited Warranty, you **MUST** fulfill these requirements:

1. You **MUST** install a full roof; roofs installed on **portions** of buildings (such as half a roof on a duplex structure) do not qualify.
2. Your roof **MUST** be installed by a GAF Master Elite® Roofing Contractor.
3. The roof system must **NOT** be installed over an existing roof — all existing materials must be removed to the deck.
4. If a new nail base insulated deck system is being installed, you must install GAF ThermaCal® Ventilated Nail Base Roof Insulation (covered by the *ThermaCal® Nail Base Roof Insulation Panels Limited Warranty*).
5. In addition to eligible GAF Roofing Shingles (visit gaf.com/LRS for eligible products), you **MUST** use one item from at least **four of the following five accessory product categories**:
 - (a) **GAF Roof Deck Protection** (visit gaf.com/LRS for eligible products). **Note:** If eligible products are not available, you may substitute any #30 ASTM D4869 felt or any #15 or #30 ASTM D226 felt, but it will NOT count towards one of the four required accessory product categories.
 - (b) **GAF Leak Barrier** in valleys and around dormers, side walls, firewalls, chimneys, plumbing vents, and skylights (visit gaf.com/LRS for eligible products). In addition, in the North (see map), an eligible Leak Barrier product **must** also be used at all eaves to at least 24" (60.96 cm) inside of the warm wall. Leak Barrier is **highly recommended** (but not required) at all roof rakes and other vulnerable leak areas.

- (c) **GAF pre-cut Starter Strip Shingles** (only those with factory-applied adhesive) at the eaves (visit gaf.com/LRS for eligible products). **Note:** Your GAF LayerLock-labeled Shingles will be covered up to the maximum wind speed **ONLY** if installed using **4 nails** per shingle **and** you have GAF Starter Strip Products installed at the eaves **and** rakes. All other GAF Shingles require use of **6 nails** per shingle **and** GAF Starter Strip Products installed at the eaves **and** rakes.
- (d) **GAF Attic Ventilation Product** installed in a properly balanced attic ventilation system consisting of both intake and exhaust ventilation (visit gaf.com/LRS for eligible products). **Note:** Although Master Flow® Attic Exhaust Vents count as an eligible accessory product in the GAF Attic Ventilation Category, they are covered by either the *Master Flow® Powered Ventilation Products Limited Warranty* or *Master Flow® Ventilation Products Limited Warranty*, depending on the product.
- (e) **GAF Ridge Cap Shingles** (visit gaf.com/LRS for eligible products) or shingles that correspond to the shingle product you are installing, as follows:

GAF Shingle installed	Corresponding GAF Ridge Cap Shingles
Royal Sovereign®	Cut-up Royal Sovereign® Shingles
	Cut-up Marquis WeatherMax® Shingles
	Any GAF Ridge Cap Shingle
Marquis WeatherMax®	Cut-up Marquis WeatherMax® Shingles
	Any GAF Ridge Cap Shingle
All other shingles	Any GAF Ridge Cap Shingle

6. For maximum weather protection, the use of GAF-labeled Ultimate Pipe Flashing® at all plumbing vents is highly recommended (but not required). Ultimate Pipe Flashing® will be covered under the *Silver Pledge™ Limited Warranty* but will not fulfill a required accessory product category.
7. New metal flashing(s) **MUST** be installed (unless existing flashing(s) are in like-new condition or are at "unworkable" wall interfaces). Metal drip edge **MUST** be used at eaves and is **recommended** (but not required) at rake edges.

In addition to the requirements listed above, **your Contractor must register and pay for your warranty within 45 days after installation. The warranty can be registered online at the GAF Contractor Zone (visit ccz.gaf.com). If your Contractor has not registered your warranty within 45 days after installation, GAF reserves the right not to issue your Silver Pledge™ Limited Warranty.**

Note: GAF reserves the right to withhold the warranty if the roof has not been installed according to GAF published application instructions.

† **Definition of Lifetime:** The word "Lifetime" means as long as you, the original owner(s) [or the second owner(s) if coverage was properly transferred within the first 20 years], own the property where the shingles and/or accessories are installed. The Lifetime warranty term and 50-year non-prorated period are applicable only to shingles and accessories installed on a single-family detached residence owned by individuals. For any other type of owner or building, such as a corporation, governmental entity, religious entity, condominium or homeowner association, school, apartment building, office building, or multi-use structure, the length of the warranty is 40 years and the non-prorated period is 20 years.

* **15-year Smart Choice® Protection Period** for StainGuard Plus™ Algae Protection Limited applies only if you install both StainGuard Plus™-labeled shingles and ridge cap shingles. For all other installations, the Smart Choice® Protection Period is 10-years.

** **Smart Choice® Protection Period:** refers to the crucial period of time following installation of the GAF Products during which the coverage provided for in this limited warranty is non-prorated. After the Smart Choice® Protection Period specified above, the remedy provided for in this warranty may be different than that provided for during the Smart Choice® Protection Period, and any remedy will be reduced to reflect the use you have received from your GAF Products. The amount of use will be calculated by dividing the number of months which have elapsed since installation to the date of claim by the number of months in the warranty term. For a Lifetime† warranty, GAF's contribution in years 51 and beyond is 20%. After the non-prorated period, GAF's maximum liability for any roof shall NOT exceed three times the reasonable cost of replacement GAF Products before any reduction for use.

*** **WindProven™ Limited Wind Warranty** requires installation of LayerLock™-labeled shingles using 4 nails per shingle, and at least four (4) qualifying accessories.

**** **Special Installation:** Your GAF LayerLock™-labeled shingles will be covered up to the maximum wind speed above ONLY if installed using 4 nails per shingle and you have GAF Starter Strip Products installed at the eaves and rakes. Special Installation for all other GAF Shingles requires use of 6 nails per shingle and GAF Starter Strip Products installed at the eaves and rakes. Your GAF Ridge Cap Shingles will be covered up to the maximum wind speed above ONLY if your ridge cap shingles are installed in strict accordance with the "Maximum Wind Speed Coverage Under Limited Warranty" section of the applicable ridge cap shingle application instructions.

Who Is Covered by This Limited Warranty; Transferability

You are covered by this limited warranty if you live in the United States or Canada and are the original property owner (i.e., not a builder or installer) or the first subsequent owner if this warranty was properly transferred.

This limited warranty may be transferred **only once**. The second owner must notify GAF in writing within **one year** after the property transfer for warranty coverage to be transferred. (Other than this one transfer, this warranty may **not** be transferred or assigned, directly or indirectly.) If the transfer takes place within the first 20 years after installation, the second owner is entitled to the same coverage as the original owner. If the transfer takes place afterwards, the length of this warranty shall be reduced to the two-year period after the ownership changes. During this two-year period, GAF's reimbursement to the second owner will be based only on the reasonable cost of replacement GAF Products, reduced by the amount of use that has been received from the GAF Products from date of installation through the date of claim.

Manufacturing Defects: What Is Covered/Sole and Exclusive Remedy

GAF Warranty Company, LLC, a subsidiary of GAF, warrants that your GAF Products will remain free from manufacturing defects that adversely affect their performance during the applicable warranty term listed above. **Note:** Wind Warranty and Algae Warranty are covered separately below.

(1) During the Smart Choice® Protection Period: GAF will pay you the full reasonable cost of labor to repair or re-cover any defective GAF Product(s) (excluding non-GAF accessories, metal work, or flashings other than Covered Flashings), and will provide replacement GAF Products or the reasonable cost of obtaining replacement GAF Products, at GAF's option. The costs of labor to tear off some or all of your GAF Products and disposal are included if necessary to repair your roof.

(2) After the Smart Choice® Protection Period: The repair or re-cover cost, replacement GAF Products, or reimbursement provided to you will be reduced to reflect the use you have received from your GAF Products. The amount of use will be calculated by dividing the number of months which have elapsed since installation to the date of claim by the number of months in the warranty term. For a Lifetime† warranty, GAF's contribution in years 51 and beyond is 20%. After the non-prorated period, GAF's maximum liability for any roof shall NOT exceed three times the reasonable cost of replacement GAF Products before any reduction for use.

WindProven™ Limited Wind Warranty: What Is Covered/Sole and Exclusive Remedy

This limited warranty is **specifically conditioned** on your meeting all eligibility requirements, including installation of **LayerLock™-labeled** shingles, GAF Ridge Cap Shingles, GAF Starter Strip Shingles, and a GAF Roof Deck Protection Product, plus your choice of either a GAF Leak Barrier Product or GAF Attic Ventilation Product, and your **LayerLock™-labeled** shingles being fastened and installed **strictly** in accordance with GAF's application instructions. For installations which do not meet these eligibility requirements, see **Wind Warranty** section below. The limited warranty applies only to your **LayerLock™-labeled** shingles and does not apply to any GAF Accessory Products. GAF warrants to you that your **LayerLock™-labeled** shingles will not fail to seal, blow off, or sustain damage from winds (including gusts) after they should have sealed but did not due to a manufacturing defect. If your **LayerLock™-labeled** shingles do fail to seal, blow off, or suffer wind damage, GAF will reimburse you for the reasonable costs of replacing the blown-off or damaged shingles and hand-sealing any unsealed shingles. Costs related to underlayment, metal work, and flashings are not included. GAF's **maximum** liability under this paragraph is to reimburse you for the cost of hand-sealing all of the **LayerLock™-labeled** shingles on your roof.

Wind Warranty: What Is Covered/Sole and Exclusive Remedy

GAF warrants to you that your GAF shingles and ridge cap shingles will not fail to seal, blow off, or sustain damage from winds (including gusts) up to the applicable wind speed listed above after they should have sealed but did not due to a manufacturing defect or their misapplication. If your shingles or ridge cap shingles do fail to seal, blow off, or suffer wind damage, GAF will reimburse you for the reasonable costs of replacing the blown-off shingles or damaged shingles or ridge cap shingles and hand-sealing any unsealed shingles or ridge cap shingles. Costs relating to metal work and flashings (other than Covered Flashings) are not included. GAF's **maximum** liability under this paragraph is to reimburse you for the cost of hand-sealing all of the shingles and ridge cap shingles on your roof.

Algae Warranty: What Is Covered/Sole and Exclusive Remedy

This limited warranty applies only to shingles, ridge cap shingles, and starter strip shingles sold in packages bearing the **StainGuard Plus™** or **StainGuard®** logos. GAF warrants to you that blue-green algae (also known as cyanobacteria) will not cause a pronounced discoloration of your **StainGuard Plus™**- or **StainGuard®-labeled** shingles, ridge cap shingles, or starter strip shingles for the warranty term listed above. If your **StainGuard Plus™-labeled** or **StainGuard®-labeled** shingles, ridge cap shingles, or starter strip shingles exhibit a pronounced discoloration caused by blue-green algae during the Smart Choice® Protection Period listed above, GAF's contribution will be either the reasonable cost of commercially cleaning your shingles, ridge cap shingles, or starter strip shingles or, at GAF's sole option, replacing discolored shingles, ridge cap shingles, or starter strip shingles. The **maximum** cost to GAF shall be the lesser of the original cost of the affected shingles, ridge cap shingles, or starter strip shingles or the cost to clean the affected shingles, ridge cap shingles, or starter strip shingles. During the **remainder** of the limited warranty period, GAF's contribution to you will be reduced to reflect the amount of use you have received from your shingles, ridge cap shingles, or starter strip shingles since they were installed. The amount of use will be calculated by dividing the number of months which have elapsed since installation to the date of claim by the number of months in the Algae Warranty term.

Note: Preventing pronounced algae-related discoloration of your shingles, ridge cap shingles, and starter strip shingles is achieved through formulations or through unique blends of granules.

Misapplication: What Is Covered/Sole and Exclusive Remedy

If any of your GAF Products or Covered Flashings is found to have an application error that adversely affects performance, GAF will arrange to have your roof repaired or re-covered or, at its sole option, will provide you with replacement GAF product(s) and reimburse you for the full reasonable cost of labor and other materials to repair or re-cover your roof, including Covered Flashings. The costs of labor to tear off some or all of your GAF Products and Covered Flashings and disposal are included if necessary to repair your roof.

If your claim arises out of an application error in your GAF Products or Covered Flashings, which is discovered or discoverable within the first two years after installation, it is the obligation of your Master Elite® Roofing Contractor to make all necessary repairs. In the event that GAF determines your Master Elite® Roofing Contractor is unable or unwilling to perform these repairs, GAF will arrange to have your roof repaired if the issues were caused by application errors within the scope of GAF liability under this limited warranty.

Note: Failure to install adequate ventilation is **NOT** an application error of your GAF Products and is not covered under this Limited Warranty. Due to the design of certain buildings, the replacement of existing flashings may be difficult, costly, or impractical. Please be sure to review these items with your roofing contractor.

What Is Not Covered

Even if your GAF products were not properly installed according to GAF's application instructions or to standard good roofing practices, this limited warranty remains in effect. However, GAF will **NOT** be liable for and this warranty does **NOT** apply to:

- (1) Damage resulting from anything other than an inherent manufacturing defect in the GAF Products, their misapplication, or the misapplication of Covered Flashings, such as:
 - (a) settlement, movement, structural damage, or defects in the building, walls, foundation, or the roof base over which the shingles or accessories were applied.
 - (b) inadequate ventilation.
- (2) Damage resulting from causes beyond normal wear and tear, such as:
 - (a) acts of nature, such as hail, fire, or winds (including gusts) over the applicable wind speed listed above except there is no maximum wind speed restriction for shingles covered by the WindProven™ Limited Wind Warranty.
 - (b) impact of traffic on the roof or foreign objects, including damage caused by objects blown onto the roof by wind.
 - (c) improper storage or handling of the GAF Products.
- (3) Ice damming, except for leaks in the area of your roof covered by a GAF Leak Barrier which are caused by a manufacturing defect in your GAF Leak Barrier, its misapplication, or the misapplication of Covered Flashings.
- (4) Shading or variations in the color of your GAF Products or discoloration or contamination caused by fungus, mold, lichen, algae (except for blue-green algae if your shingles, ridge cap shingles, or starter strip shingles were labeled with the StainGuard Plus™ or StainGuard® logos), or other contaminants, including that caused by organic materials on the roof.
- (5) Damage caused by, or the cost to repair or replace, products not sold by GAF, including but not limited to metal work and counterflashing.
- (6) Improperly designed or installed gutter or downspout systems.
- (7) Damage to the interior or exterior of the building, including, but not limited to, mold growth.
- (8) Damage to or caused by rooftop air conditioning units (and their flashing), pipe works, brace works, skylights, rooftop satellite dishes or other radio/TV devices, counterflashing, or flashings other than those specifically included above.

Other Limitations Concerning Coverage

Decisions as to the extent of repair, re-cover, or cleaning required, and the reasonable cost of such work, will be made solely by GAF. GAF reserves the right to arrange directly for your GAF Products to be repaired, re-covered, or cleaned instead of reimbursing you for such work. The remedy under this warranty is available only for those GAF Products actually exhibiting manufacturing defects, application errors (including misapplication of Covered Flashings), or algae discoloration at the time your claim is settled. Any replacement GAF Products will be warranted only for the remainder of the original warranty period. GAF reserves the right to discontinue or modify its shingles or accessories, including the colors available, so any replacement GAF Products may not be an exact match for the GAF Products on your roof. Even if GAF does not modify a color, replacement GAF Products may not match your original GAF Products due to normal weathering, manufacturing variations, or other factors.

Claims: What You Must Do

You must notify GAF about any claim within **30 days** after you notice a problem. You may report a claim online at gaf.com/contact, by calling GAF at 1-800-458-1860, sending an email to warrantyclaims@gaf.com, or by sending a notice in writing to: GAF, Warranty Claims Department, 1 Campus Drive, Parsippany, NJ 07054, USA. You will then be provided with complete details about submitting your claim. You may be required to send to GAF, at your expense, photographs and sample products for testing. Within a reasonable time after proper notification, GAF will evaluate your claim and resolve it in accordance with the terms of this limited warranty. If you repair or replace your GAF Products before you notify GAF about your claim or before GAF has completed its evaluation of your claim, your claim may be denied. If you need to repair or replace your GAF Products before your claim is resolved, you **MUST** provide GAF with reasonable notice. **NOTE: Notice to your contractor, dealer, or home builder is NOT notice to GAF.** You should retain this document for your records in the unlikely event that you need to file a claim.

Sole and Exclusive Warranty

THIS LIMITED WARRANTY IS EXCLUSIVE AND REPLACES ALL OTHER WARRANTIES, CONDITIONS, REPRESENTATIONS, AND GUARANTEES, WHETHER EXPRESS OR IMPLIED, WHETHER BY STATUTE, AT LAW OR IN EQUITY, INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. This limited warranty is your exclusive warranty from GAF and represents the **SOLE REMEDY** available to any owner of GAF Products. GAF makes **NO OTHER REPRESENTATIONS, CONDITIONS, GUARANTEES, OR WARRANTIES** of any kind other than that stated herein. GAF **WILL NOT BE LIABLE IN ANY EVENT FOR CONSEQUENTIAL, PUNITIVE, SPECIAL, INCIDENTAL, OR OTHER SIMILAR DAMAGES OF ANY KIND**, including **DAMAGE TO THE INTERIOR OR EXTERIOR OF ANY BUILDING**, whether any claim against it is based upon breach of this warranty, negligence, strict liability in tort, or for any other cause. This limited warranty gives you specific legal rights, and you may also have other rights which vary from jurisdiction to jurisdiction. Some jurisdictions do not allow limitations on or the exclusion of incidental or consequential damages, so the above limitations or exclusions may not apply to you. New Jersey state residents are encouraged to review their rights under the agreement, as provided under the New Jersey Truth-In-Consumer Contract Warranty and Notice Act ("TCCWNA").

The United Nations Convention on Contracts for the International Sale of Goods shall **NOT** apply either to the sale of the GAF Products or to this limited warranty.

Modification of Warranty

This limited warranty may not be changed or modified except in writing, signed by an officer of GAF. No one (other than an officer of GAF) has the authority to assume any additional or other liability or responsibility for GAF in connection with your GAF Products and Covered Flashings except as described in this limited warranty.

Effectiveness

This limited warranty will not take effect unless all eligibility requirements have been satisfied, this warranty is registered to you, and your roofing contractor has been paid in full.
